Enclosed is a U.A.B. registration form for 1983-84. Many organizations elect officers for the next year in the Spring Semester. We felt that it might be useful for the old officers to help the new officers complete the form, especially the budget sheet. The form can be turned in at any time prior to September 16, 1983. When the form is filled out completely, return it to the SGS Office. Preliminary reviews can begin over the summer months to speed things along some.

If you have any questions, please call.
